

Retraction of published article

The article with the following particulars (A) has been retracted from publication in the African Crop Science Journal due to later emergency of evidence that parts of its contents were earlier published in another article in The Crop Journal with particulars presented in (B) below:

A: MD. Mokter Hossain, Hon-Ming Lam and Jianhua Zhang. 2015. Physiological response of soybean genotypes to water limiting conditions. African Crop Science Journal 23 (3): 227 – 238.

B: Md Mokter Hossain, Xueyi Liu, Xusheng Qi, Hon-Ming Lam, Jianhua Zhang. 2014. Differences between soybean genotypes in physiological response to sequential soil drying and rewetting. The Crop Journal 2:366-380.

The Editors of African Crop Science Journal regret inconveniences caused.
