

Tribute to Late Professor Ahmed Audu Mayun (1968–2018)

There is time for everything. You have fulfilled your destiny on this mortal earth by serving humanity and shared your affection and love with your family, friends, colleagues, students, and patients for half a century.

Your passion for excellence has manifested in you as a father, professor of pathology, teacher, mentor, and a leader. Your style of friendship has created a big vacuum that will be difficult to fill. We still hear you whispering with that your unique laughs that attract attention. You left us when we need you most but God Almighty the creator knows why He needed the most.

You will forever be fresh in our minds all the days of our life. May God grant you eternal rest. Amen.

Adieu.... Professor Ahmed Audu Mayun.
