

Acknowledgements (2021-2022)

Reviewers of the period from January 2021 to December 2022

As Editors in Chiefs, we are grateful to all colleagues who have put aside their daily duties to provide their expertise in the manuscripts submitted to the *Cameroon Journal of Experimental Biology*. Words are not enough to appreciate your time used to improve the quality of articles published in this journal during 2021 and 2022.

We will be happy to have more collaboration with you either by receiving your manuscripts and/or having your expertise on submitted manuscripts

Sincerely,

Professor Hilaire Macaire Womeni, Editor-in-Chief

&

Professor Maurice Ducret Awouafack, deputy Editor-in-Chief
