A Note on Current Issue: Vol 6, No 2 (2017)

Mgbakoigba regrets an error on two articles in the current edition of Vol 6, No 2 (2017). The article namely: "Socio-cultural attitudes of Igbomina tribe toward marriage and abortion in Osun and Kwara states of Nigeria" by Adeleke Gbadebo Fatai has been updated with a new version bearing the author's current affiliation with significant editorial intervention, while the article titled "Abuja sustainable spatial housing design: A spatial dialectics (volumetric and unvolumetric settlements)" by B.N. Obiadi, P.C. Agbonome has also been updated. The Editorial Board sincerely regrets any inconvenience this might cause its readers.
