Retraction

Following a complaint of article theft, our investigation concluded that Mohammed Guini, Mohammed Khouali, Nabil Raouzi, Nouredine Oulali, and Fayçal Moufid are not the real authors of this article. None of them contributed to the management of the patient or wrote the article. This retraction complies with our policy on publishing ethics and integrity and the Committee on Publication Ethics (COPE) guidelines. The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted”.

The PAMJ regrets that this grave violation was not identified before publication and sincerely apologizes to the scientific community.
