CORRIGENDUM

Li, L. (2016). Are social media applications a facilitator or barrier to learning for tourism and hospitality management students? *Research in Hospitality Management, 6*(2), 195–202. https://doi.org/10.1080/22243534.2016.1253289

Acknowledgement — I thank University of Surrey, University of Derby, and Bath Spa University for allowing time for me to complete this research. I would also like to show my immense gratitude to Dr Jashim Khan for his contribution to the development of the interview questions and data collection. Any errors are my own and should not tarnish the reputations of the institutions.
