

## Erratum

In the article 'Redox Potentials of Ligands and Complexes – a DFT Approach' by K.G. von Eschwege and J. Conradie that appeared in the *South African Journal of Chemistry*, 2011, **64**, 203–209, the *y*-axis units in Fig. 6 (p. 208) should have read V, not mV, thus

**Fig. 6(a):**  $E_{pa} / \text{V vs FcH/FcH}^+$       **Fig. 6(b):**  $E^0 / \text{V vs FcH/FcH}^+$
