Revised accepted: 29 December 2015

This article previously published in Volume 15 Issue 2 of this journal in February 2016 has been retracted in line with the guidelines from the Committee on Publication Ethics (COPE, <http://publicationethics.org/resources/guidelines>)

Retracted: Zhan W, Zhu J, Zhang Y. Inhibition of corneal neovascularization by hydrazinecurcumin. *Trop J Pharm Res* 2016; 15(2):349-354 doi: <http://dx.doi.org/10.4314/tjpr.v15i2.18>

To the Editor

Following the publication of our research article (Inhibition of corneal neovascularization by hydrazinocurcumin. *Trop J Pharm Res* 2016; 15(2):349-354) in your journal (<http://www.tjpr.org/home/abstract.php?id=381>), some conflict of interest has arisen. We therefore decided to withdraw the research article.

Thanks in advance.

Sincerely,
Ying Zhang
